

October 22, 2018

Dear Students and Parents:

Today, we are kicking off the Holiday Poinsettia Sale! This is the third of four opportunities put together to help raise funds for your individual student accounts. Money in your student account is accumulated for use towards your school trips and additional functions during your stay at CCCEPA. Each of these fundraising opportunities is dedicated to assist you in defraying your expenses and each student may choose whether or not to participate.

There are two (2) forms for you to look for:

1. An order form (where you record all the individual sales you have made). Please remember, only ONE check or money order made out to PAPA will be accepted. In addition, please be sure to tally your order before you turn it in on 11/9/18.
2. A sales flyer that shows pictures of the Poinsettias-You will sell the plants for \$10.75 – 6” pot; \$20.00 – 8” pot and \$26.00 - 10” pot. For each Poinsettia sold, your student account will be credited with \$3.75, \$6.50, or \$9.50 respectively.

Selling Poinsettias an easy way to add money to your student account. Remember, churches, businesses and neighbors all love (and buy) poinsettias during the holidays. Order forms and payment are due by Friday, November 9th. No late orders can be accepted. Please put your form and check (or money order) in an envelope marked Plant Sale. These will be collected in Mr. Timmerman's office. The poinsettias will be delivered on Saturday, December 1<sup>st</sup>. You will be notified on December 1<sup>st</sup> when the plants are ready for pickup.

For any other questions please contact Tracey Hudson at 770-316-5235 or tshudson1@bellsouth.net.
