

Dear Students and Parents,

Monday, February 25th kicks off the Spring Plant Sale. This is our fourth and final opportunity this school year to help raise funds for your individual student account. In the individual student account, the money is accumulated for your use towards school trips, functions, and items from the PAPA store during your years at CCCEPA. Each of these fundraising opportunities is held to assist in defraying your expenses and each student may choose whether or not to participate.
