

Dear Students and Parents,

Welcome back returning students and congratulations freshmen! CCCEPA offers different fundraising opportunities throughout the year in order to offset student expenses. Our Plant Sales make up three of four fundraisers offered. This is a great opportunity to help raise funds for your student account. In your student account, money is accumulated for use toward school trips, college visits, unified auditions, NHS Dance Festival, All State Choir, spirit wear purchases, and other functions that take place during the school year. These fundraising opportunities are held to assist in defraying your expenses and you may choose whether to participate.

There are three plant sales a year. The important dates for the three sales are as follows:

**Dates for the 2019-2020 Plant Sale**

Fall Plant Sales Begin- August 16, 2019  
Fall Plant Sales Due- September 6, 2019
