Dear Students and Parents,

Welcome back returning students and congratulations freshmen! CCCEPA offers different fundraising opportunities throughout the year in order to offset student expenses. Our Plant Sales make up three of four fundraisers offered. This is a great opportunity to help raise funds for your student account. In your student account, money is accumulated for use toward school trips, college visits, unified auditions, NHS Dance Festival, All State Choir, spirit wear purchases, graduation dues and other functions that take place during the school year. These fundraising opportunities are held to assist in defraying your expenses and you may choose whether to participate.

There are three plant sales a year. The important dates for the three sales are as follows:

**Dates for the 2020-2021 Plant Sale**

Fall Plant Sales Begin- August 10, 2020

Fall Plant Sales Due- August 28, 2020

**Fall Plant Delivery-October 17, 2020**

Poinsettia Sales Begin-October 19, 2020

Poinsettia Sales Due-November 6, 2020
