

Dear CCCEPA Families,

The CCCEPA online Dancewear store is now open. Fall orders may be placed through our online store link at [CCCEPA.com](http://CCCEPA.com) through July 10th.

If you are new to the program or new to dance at CCCEPA, a dancewear shopping list may be found at the online store link. Male students will need white dance shirts and black tights for Ballet classes and black dance shirts and bike shorts for Jazz classes. Female students will need black leotards and pink or skin tone tights for Ballet classes and black leotards and black tights OR bike shorts for Jazz classes. Most female students opt to wear the black tights, but it is personal preference. It is **MANDATORY** that all leotards, dance shirts, bike shorts and jazz pants be purchased **ONLY** through CCCEPA as these are uniform pieces, embroidered with our program logo and unavailable for purchase anywhere else. At this time, I would suggest only ordering dancewear needed for daily classes. There will be an additional ordering period in October for items required for Fall Dance Concert. Should you have additional questions on sizing (beyond the sizing charts on the website) or what to order, please feel free to message me personally at [mcinturffgirls@yahoo.com](mailto:mcinturffgirls@yahoo.com). Our local supplier, DanceMax, can also assist you with sizing and is currently stocked with our required, non-uniform items including socks, shoes, tights, dance belts, etc...

Items ordered during this ordering period will be available for pick up at PHS prior to the start of fall semester. This pick up typically occurs at the end of July, during Falcon Fly-by.

Please be aware that our PAPA supported CCCEPA Dancewear program functions as a convenience and ordering platform for our families. We are not a retailer. We do not typically carry any stock. We do not profit from dancewear sales. For those reasons, we typically maintain a no refund-no exchange policy.

Please feel free to message me with any additional questions!

Rebecca McInturff
